Town of Mattapoisett

NOTICE OF WATER RATE AND SEWER RATE INCREASE.

April 2016

Water Rates – higher costs to operate and maintain the public water system, the ongoing reconstruction of our older water mains particularly in the Village, along with the refurbishment of our Number 2 water well requires that we increase our rates by 15%. Water rates were last adjusted in April 2014.

Sewer Rate – higher costs to operate and maintain the public sewer system, including our seven sewer pumping stations, along with planned improvements to the Eel Pond Force Main require that we increase our sewer rates by 10%. Sewer Rates were last adjusted in April 2014.

(New rates are on the reverse of this notice.)
