

GUIDELINES FOR ABOVE GROUND SWIMMING POOLS

The following information is required before a Building Permit will be accepted in our office.

- A building permit application that is 100% completed
- A plot plan showing the house, pool, and set-backs to the front, rear, and sidelines of your property
- Written approval from the Board of Health on septic systems (homes on town sewer are exempt)
- Written approval from the Conservation Commission (no exceptions)
- One set of construction plans for the pool provided by the pool manufacturer
- One plan showing the approved folding and/or locking ladder
- A cross section showing the top of the pool wall at or above 48 inches above grade

IT IS IMPORTANT TO NOTE THAT THE POOL WALL BE AT LEAST 48 INCHES IN HEIGHT AND COMPLETELY AROUND THE PERIMETER OF THE POOL

- If the back yard is fenced in, all doors leading to the back yard from the house must be alarmed
