GENERAL RULES

1. *Stickers are non-transferable.*
2. *Commercially registered vehicles and/or residents operating a home business are required to have a commercial sticker.*

3. *Persons or entities in the following businesses will be required to purchase a commercial sticker: landscapers, gardeners, property managers, trucks for hire, rental trailers or contractor vehicles. Any person or entity that in the opinion of the Board of Health or its Agent, are involved in a commercial enterprise.*
4. *Replacement stickers are **only** issued from the Board of Health office.*
5. *The Board of Health or its Agent may grant waivers to this policy if in their opinion the granting of such waivers does not conflict with the intent of this policy.*
6. *The Board of Health, Agent and Transfer Station employees retain the right to refuse any materials, items or substances that in their opinion may put the facility in "non-compliance" with the D.E.P. permit issued to the facility or any other permit, or may in their opinion put the facility in a position of having something at the facility that cannot be sent to another facility to be handled.*
7. *Transfer station personnel have the authority to charge additional fees if necessary.*
8. *Board of Health has the right to not issue or revoke any sticker*
