ON-GOING AGENDA ITEMS

DOT / D.W. White Status: Phase 1B

- All the piles are now driven and cross beams installed. DW White is now installing the main beams.
- Received email from Ted Nolte, AIA relative to cutting of trees on his property near the western approach to the Mattapoisett River Bridge. His property is at 9 Locus Street. We had a meeting on site, and Stephen is looking into making a planting plan for that area working with the Mattapoisett Garden Club and the Tree Committee. There isn't any landscape plan in DOT's documents.
- Special Town meeting on January 14th on Phase 2B funding with the Friends of the Mattapoisett Bike Path. Passed
- Emails: Dated 02/20/20 – 03/12/20

Phase 2A

- The Bike Path Committee has received CPC funding for \$12,000 for survey of Phase 2 and hopefully wetlands delineation for SRPEDD and DOT District 5. John Rockwell started doing the wetlands delineation over the holidays and has found a broken pipe. He is going to meet with Steve Kelleher and Barry Denham to discuss.
- Stephen is waiting on Mike Gagne to meet with Matt Thomas, Esq. regarding the land titles.
