ON-GOING AGENDA ITEMS

DOT / D.W. White Status: Phase 1B

- The boardwalk decking is being installed on site over the winter. D.W. Whites sub-contractors have installed most of the black top and fencing.
- Received email in the spring from Ted Nolte, AIA relative to cutting of trees on his property near the western approach to the Mattapoisett River Bridge. His property is at 9 Locus Street. We had a meeting on site, and Stephen has a rough planting plan for that area. It was not well received by the Town Manager, when Stephen gets pricing, he will meet with him.
- Emails: Dated 02/10/21 – 03/10/21
