To determine if flood insurance is available in this community, contact your insurance agent or call the National Flood Insurance Program at 1-800-638-6622.

Base map information shown on the FIRM uses 2013 and 2014 imagery provided by the U.S. Geological Survey and 2010 transportation data provided by the U.S. Census Bureau, with all other vector data unchanged from the previous FIRM.

Coastal Barrier Resources System (CBRS) areas and otherwise protected areas (OPAs) are no longer shown on this map panel, but still may be present in this community. Current information on these areas is provided by the U.S. Fish & Wildlife Service (FWS). NFIP flood insurance is not available within CBRS areas for structures that are built or substantially improved on or after the dates indicated by FWS. Users should reference the most up-to-date information provided by FWS to determine NFIP insurance eligibility. The official maps and additional information regarding CBRS areas are provided on the FWS website at [www.fws.gov/cbrs](http://www.fws.gov/cbrs). FEMA also includes the official boundaries from FWS on our interactive and dynamic flood maps available through the FEMA Map Service Center.
