

Public Announcement
Mattapoisett Board of Selectmen

Based upon Governor Baker's News Conference on Sunday March 15, 2020, the Town of Mattapoisett will be following the guidance provided by the State along with the policy of our neighboring Towns in closing Town buildings to entrance by the public effective Tuesday March 17th. This is being done to protect staff and residents and prevent further spread of COVID-19. The closure will remain in effect until April 6th, or until the threat of the pandemic has subsided.

As it is vitally important for the public to have access to all governmental services, staff will continue working in all Town offices to assist residents and handle inquiries remotely. Attached to this announcement is a list of all departments with their respective contact information. If you contact a department, every effort will be made to assist you and to the best of our ability address your needs.

We want to assure residents we will continue to make every effort to serve our community in the most expedient and efficient manner possible during this pandemic. Should you encounter any issues in obtaining services, then we ask you to call the Board of Selectmen's Office at (508) 758-4100 Extension 4.
